

\$5,000 RESEARCH GRANT AWARD

WASHINGTON STATE OBSTETRICAL ASSOCIATION

GRANT APPLICATIONS ARE NOW BEING ACCEPTED

GUIDELINES

TOPICS: A wide range of topics are acceptable, ranging from basic research to clinical studies to health services research. Topics of regional significance and outcome-based research are particularly encouraged.

FORMAT: The proposal should be typed, double spaced, and no more than ten pages of text. The proposal should follow standard N.I.H. format and be appropriately referenced. When applicable, collaborators should be clearly identified along with appropriate letters of collaboration. A detailed budget should also be included.

Awardee must agree to recognize WSOA's grant in the work, and a copy of the findings shall be provided for the association files.

Awardee will present findings of research at the 2017 Annual Meeting scheduled for December in Seattle.

DEADLINE: October 31, 2016

SUBMIT TO: WSOA Research Committee
Darla White, Association Executive
